

# 105 DRESSES

## Dress Guidelines

We are excited to collect 105 Dresses in honor of our 105 years for the Priceless Gown Project, a nonprofit organization serving students in the MD and DC area. Donate your new and gently worn prom, formal, and bridesmaids dresses at the event. We will be collecting long and short formal dresses in all sizes, especially small sizes (0-4) and large sizes (16 and higher). Please, no wedding gowns, business wear, or everyday clothing. Not sure if your dress is suitable to donate? Check out the guidelines listed below:

### What's Hot:

- Short and long formal dresses in current style
- Dresses less than 5 years old, like you see in the stores
- Dresses that are clean and ready to wear
- Bridesmaids' gowns
- Shoes to coordinate with the gowns
- Costume jewelry
- Small, dressy purses, and handbags

### What's Not:

- Dresses with stains, rips, holes, tears, and pulls
- Dresses that are outdated and in styles that a current high school girl will not wear
- Business suits
- Wedding gowns
- Pant suits
- Sundresses
- Undergarments
- Worn-out shoes

Please note: while we gratefully accept the donation of accessories and multiple dresses per person, only the donation of 1 dress that meets the above guidelines will receive an additional chance to win the diamond drawing.
