ANNUAL REPORT

2022 - 2023

NOTE FROM THE PRESIDENT

Cheers to the end of the 110th year of making an impact and doing big, BOLD things with the Junior League of Washington!

It was an exciting time for JLW, who at our core, are a steadfast group of women committed to doing good in our communities, while building on the opportunity we have in front of us to grow as leaders, volunteers, parents, sisters, friends, and family.

Thank you and congratulations to each and every member, community partner, family, friend, and supporter for your commitment to JLW. This year, when I introduced our theme - **Be BOLD - Building Our League Daily**. I challenged each of us to **Be BOLD** in our thoughts, words, and actions, and I'm proud to say JLW has accomplished that and more. Without you, we simply could not do what we do each and every day.

This year, we took challenges and made them opportunities, we did big things, small things, and everything in between. Through it all, we challenged ourselves to come back to the heart of who we are - a mission driven, woman-powered organization, that seeks to **advance women's leadership for meaningful community impact through volunteer action, collaboration, and training.**

For our first full in-person year since the 2018-2019 League year, our members were back in full force volunteering in the community. From this year's National Book Festival and community partner events to our exciting fundraisers, in-League trainings, and leadership opportunities - JLW continued to thrive as we returned to a back-to-normal experience.

We had countless events, we made amazing progress on our DEIAB work, we had an astronaut at our Women's Leadership Breakfast, we had jam-packed GMMs and in-league trainings, we raised more than \$45k in one week with LBDI, we gave out \$97,000 in grants, and so much more. When I stop to think about what we've done I honestly get whiplash.

We also had some hard moments with the passing of two beloved Past Presidents, Elizabeth Marshall Keys and Tina Cleland. With the support of the Keys' family, the JLW community rallied and raised \$15,000.

In coordination with Elizabeth's family, those funds raised will go to support JLW members with new Get on Board opportunities and contributions to the scholarship fund to help increase our impact through diverse membership.

It would be impossible for me to share everything we did because our impact is just far too big. As JLW members, we are force multipliers in our community. Without each of the 2,300+ members who call JLW home, we would not have a story to tell, and for that I'm so grateful to each of you.

As I said last year in my opening letter, "when we build a legacy, we do not see the fruits of our labor, or the shade of the trees we plant, but we can be confident in knowing that by doing the simplest of things, we provide a foundation that will bring others to our table in perpetuity."

Thank you again to every member and JLW supporter, on behalf of the 2022-2023 Board of Directors, our staff, and leaders, thank you all for continued service, commitment, and membership in the Junior League of Washington. Thank you for adopting **Be BOLD** as your JLW mantra and finding your JLW joy this year.

I'm so excited to see where JLW goes from here. The sky continues to be the limit for us. Cheers to the next 110 years of service!

In **BOLD** service and gratitude,

A handwritten signature in black ink that reads "Katherine Rodriguez". The signature is written in a cursive, flowing style.

Katherine Rodriguez
President, 2022-2023
Junior League of Washington

MISSION

The Junior League of Washington (JLW) is an organization of women whose mission is to advance women's leadership for meaningful community impact through volunteer action, collaboration, and training.

VISION

JLW strives to be a vibrant presence in the lives of the women and children in the greater Washington metropolitan area, serving as a resource throughout the community to effect positive change, seek common ground, and inspire hope.

FOCUS

JLW focuses our financial and volunteer resources on supporting pathways to opportunity across the greater Washington metropolitan area. We have adopted a broad approach in response to evolving challenges facing our community, in order to produce real change. Supporting Pathways to Opportunity includes supporting educational, professional, and financial programming and resources for children, adolescents, young adults, adults, as well as capacity building for community organizations.

OUR COMMITMENT TO DIVERSITY AND INCLUSION

JLW welcomes all women who value our mission. We are committed to inclusive environments of diverse individuals, organizations, and communities.

OUR MEMBERS

At present, over 2,300 women in the greater Washington metro area are members of the JLW. The League organizes and trains these women for effective action and leadership in our community through orientations, seminars, and "hands-on" experience. Throughout our history, the JLW has provided millions of volunteer hours and more than \$5.8 million to the community. Membership in the JLW today empowers all women to volunteer and help those in need through our selection of volunteer opportunities.

OUR IMPACT

LIBRARY OF CONGRESS' ANNUAL NATIONAL BOOK FESTIVAL

The National Book Festival is a much-anticipated gathering that attracts authors, book lovers, and story-tellers of all ages annually. The Junior League of Washington's Literacy Events Planning Committee (LEP) has been a key part of the event's success through our longstanding partnership with the Library of Congress to organize volunteer support.

For 20 years, JLW has provided an army of volunteers who research participating authors and draft one-pagers in the months leading up to the event. On the day of the festival, held on September 3, 2022, JLW volunteers gathered at the Walter E. Washington Convention Center to work in shifts for the all day event.

"It's truly an all-hands on deck affair the day of the Festival," said Emily Ancinec, 2022-2023 Chair of the Literacy Events Planning Committee. "But it also involves several hours of planning and coordination leading up to the big day to make sure everything goes smoothly," she shares.

JLW volunteers staff book signing lines to help fans meet their favorite authors, assist avid-readers with finding new books to enjoy, and help the many children in attendance enrich their knowledge and love of storytelling by connecting the young attendees with librarians and authors. In fact, JLW's commitment to the National Book Festival totals more than 40,000 hours of planning and day-of support from more than 6,000 volunteers to help make the event a success year after year.

Boasting a long list of bestselling authors, novelists, historians, poets, and children's writers, the theme of the 2022 National Book Festival was "Books Bring us Together," an inclusive and celebratory acknowledgment of the storyteller in all of us and the power of story in building connections.

"This is a great event for anyone who loves learning, reading and meeting new people," said Ancinec whose notable encounters over the years include meeting the late actor Leslie Jordan while staffing his booksellers line. "It's always inspiring to see how welcoming and accessible the authors are to meeting their fans, signing books, and taking pictures. We may be there to work and keep the lines moving, but everyone is there because we love stories and what the National Book Festival represents," she explained.

Celebrating multiple decades of partnership is a testament to the League's commitment to promoting a love of literacy and volunteerism among our members and the community.

We look forward to helping the Library of Congress bring the festival to life for many years to come.

COMMUNITY

BLOOMING WITH POSSIBILITY: FLORAL FÊTE

The Junior League of Washington significantly impacts the local community through diverse initiatives in education, health, and cultural enrichment. Their funding and support efforts have notably improved the lives of families and children across the Washington DC metro region. JLW is committed to empowering individuals and fostering sustainable community development.

From cherry blossoms blooming to bluebirds chirping, lunchtime strolls to longer daylight hours, there is nothing that signals the changing of the seasons for JLW members quite like the Kitchen Tour committee's annual garden party fundraiser.

The 2023 garden party festivities, aptly named Floral Fête, occurred on April 22nd and featured an exclusive reception for VIP ticket holders at Bottles Wine Garden - a seasonal wine bar catering to the palettes of both casual wine enthusiasts and connoisseurs alike. VIP guests mixed and mingled after receiving exclusive gift bags valued at more than \$150.

The VIP reception was followed by a celebration for all attendees in the garden of the historic Loughborough House in Georgetown. Decked out in white and floral dresses, Floral Fête guests experienced an interior design presentation, a meditation station, and elegant floral decor summoning the spirit of springtime fun while sampling sweet dessert treats and a signature cocktail.

The Floral Fête also featured a silent auction where attendees bid on several exciting items including a personal styling session by Sarah Bland, an Apple watch, and a custom suit by Knot Standard.

Overall, nearly 200 people gathered to celebrate the changing of the seasons and helped to raise funds to support JLW's mission. All of JLW's fundraisers, including Kitchen Tour events, support the League's grants programs, pathways to opportunities, and volunteer leadership training.

Congratulations
